

Telephone survey regarding an adjustment of the municipality border for the districts Norddal and Eidsdal

- You will be asked to specify your gender and age
- Answers are given anonymously

Intro – main question:

Good day/evening. My name is NN. I am calling on behalf of the county governor in Møre and Romsdal. The ministry Kommunal- and moderniseringsdepartementet has asked the county governor to proceed with the application from the districts of Norddal and Eidsdal regarding a municipality border adjustment to Stranda municipality. The county governor wants to implement a hearing of the inhabitants in the districts of Norddal and Eidsdal.

You will be given one main question with three alternative answers. Before we start, we would like to inform you about the following:

- From January 1st, 2020, Norddal and Stordal municipality will merge into new Fjord municipality.
- An adjustment of the municipality border will be effectuated from January 1st, 2020.

Main question:

What municipality should the districts of Norddal and Eidsdal belong to in the future?

- *Stay in Norddal municipality (new Fjord municipality)*
- *Transfer to Stranda municipality*
- *I don't know/no answer*
